**Objetivo geral**

Analyze the main concepts and problems in regional economics and development. Discuss the main theories, classic and recent, on regional economics and the restructuring of regions over time. Discuss the impact of development policies over the regions.

Analisar os principais conceitos e problemas em economia regional e desenvolvimento. Discutir as principais teorias, clássicas e recentes, sobre economia regional e a reestruturação das regiões ao longo do tempo. Discutir o impacto das políticas de desenvolvimento nas regiões.

**Objetivos Específicos**

**Metodologia**

- Lectures.
- Papers, studies and readings in groups and/or individual.
- Discussion and presentation of seminars.

- Aulas expositivas.

### **PLANO DE ENSINO**

- Trabalhos, estudos e leituras em grupos e/ou individual.
- Debates e apresentação de seminários.

### **Atividades Práticas**

Seminars about the course bibliography may be requested under the supervision or assessment of the professors.

Poderão ser solicitados seminários da bibliografia do curso sob a supervisão dos professores.

### **Avaliação**

The methodology is committed learning. The evaluation will be individual, linked to the theme established by the professor and from the bibliographic references provided in the first class or a posteriori. The attendance and the seminar presentation (when requested) are mandatory for individual evaluation. Final marks are graded under professor's criteria.

The student with insufficient grade at the end of the course, assessed by evaluation process above described, may under the professor's criteria, attend or teach seminars in Economic Sciences bachelor course of Unioeste/Toledo, as a mechanism to complement his/her grade. The classes will be indicated by the professor.

A metodologia é de aprendizado compromissado. A avaliação será individual, ligado à temática estabelecida pelo professor e a partir das referências bibliográficas fornecidas na primeira aula e a posteriori. A frequência e a apresentação de seminários (quando houverem ou for solicitado) são condições necessárias e suficientes para a avaliação individual. A nota final fica a critério do professor.

O aluno com nota insuficiente ao final do curso e do processo avaliação poderá, a critério do professor, assistir ou ministrar seminários em cursos do bacharelado em Ciências Econômicas da Unioeste/Toledo, como mecanismo de complementar sua nota. As aulas serão indicadas pelo professor.
